STAR QMS

WELCOME TO OUR COMPANY

STAR QMS was established in the year 2020 and over the years, we have placed ourselves amongst the assured names in the corporate world

Provided a single window for all kinds of product certification and testing equipment, empowering clients in achieving higher production efficiency and quality standards. Simply helping to earn tremendous reliance on client's products in the market.

As of now, there are 25+ different types of product certification & compliance services being catered by Star Qms which set us as number one Quality Compliance company so far.

Vision and Mission

Vision

STAR QMS envisions global impact through cutting-edge services, supporting organizations in Standardization, Conformity Assessment, Testing, Training, and Compliance

Mission

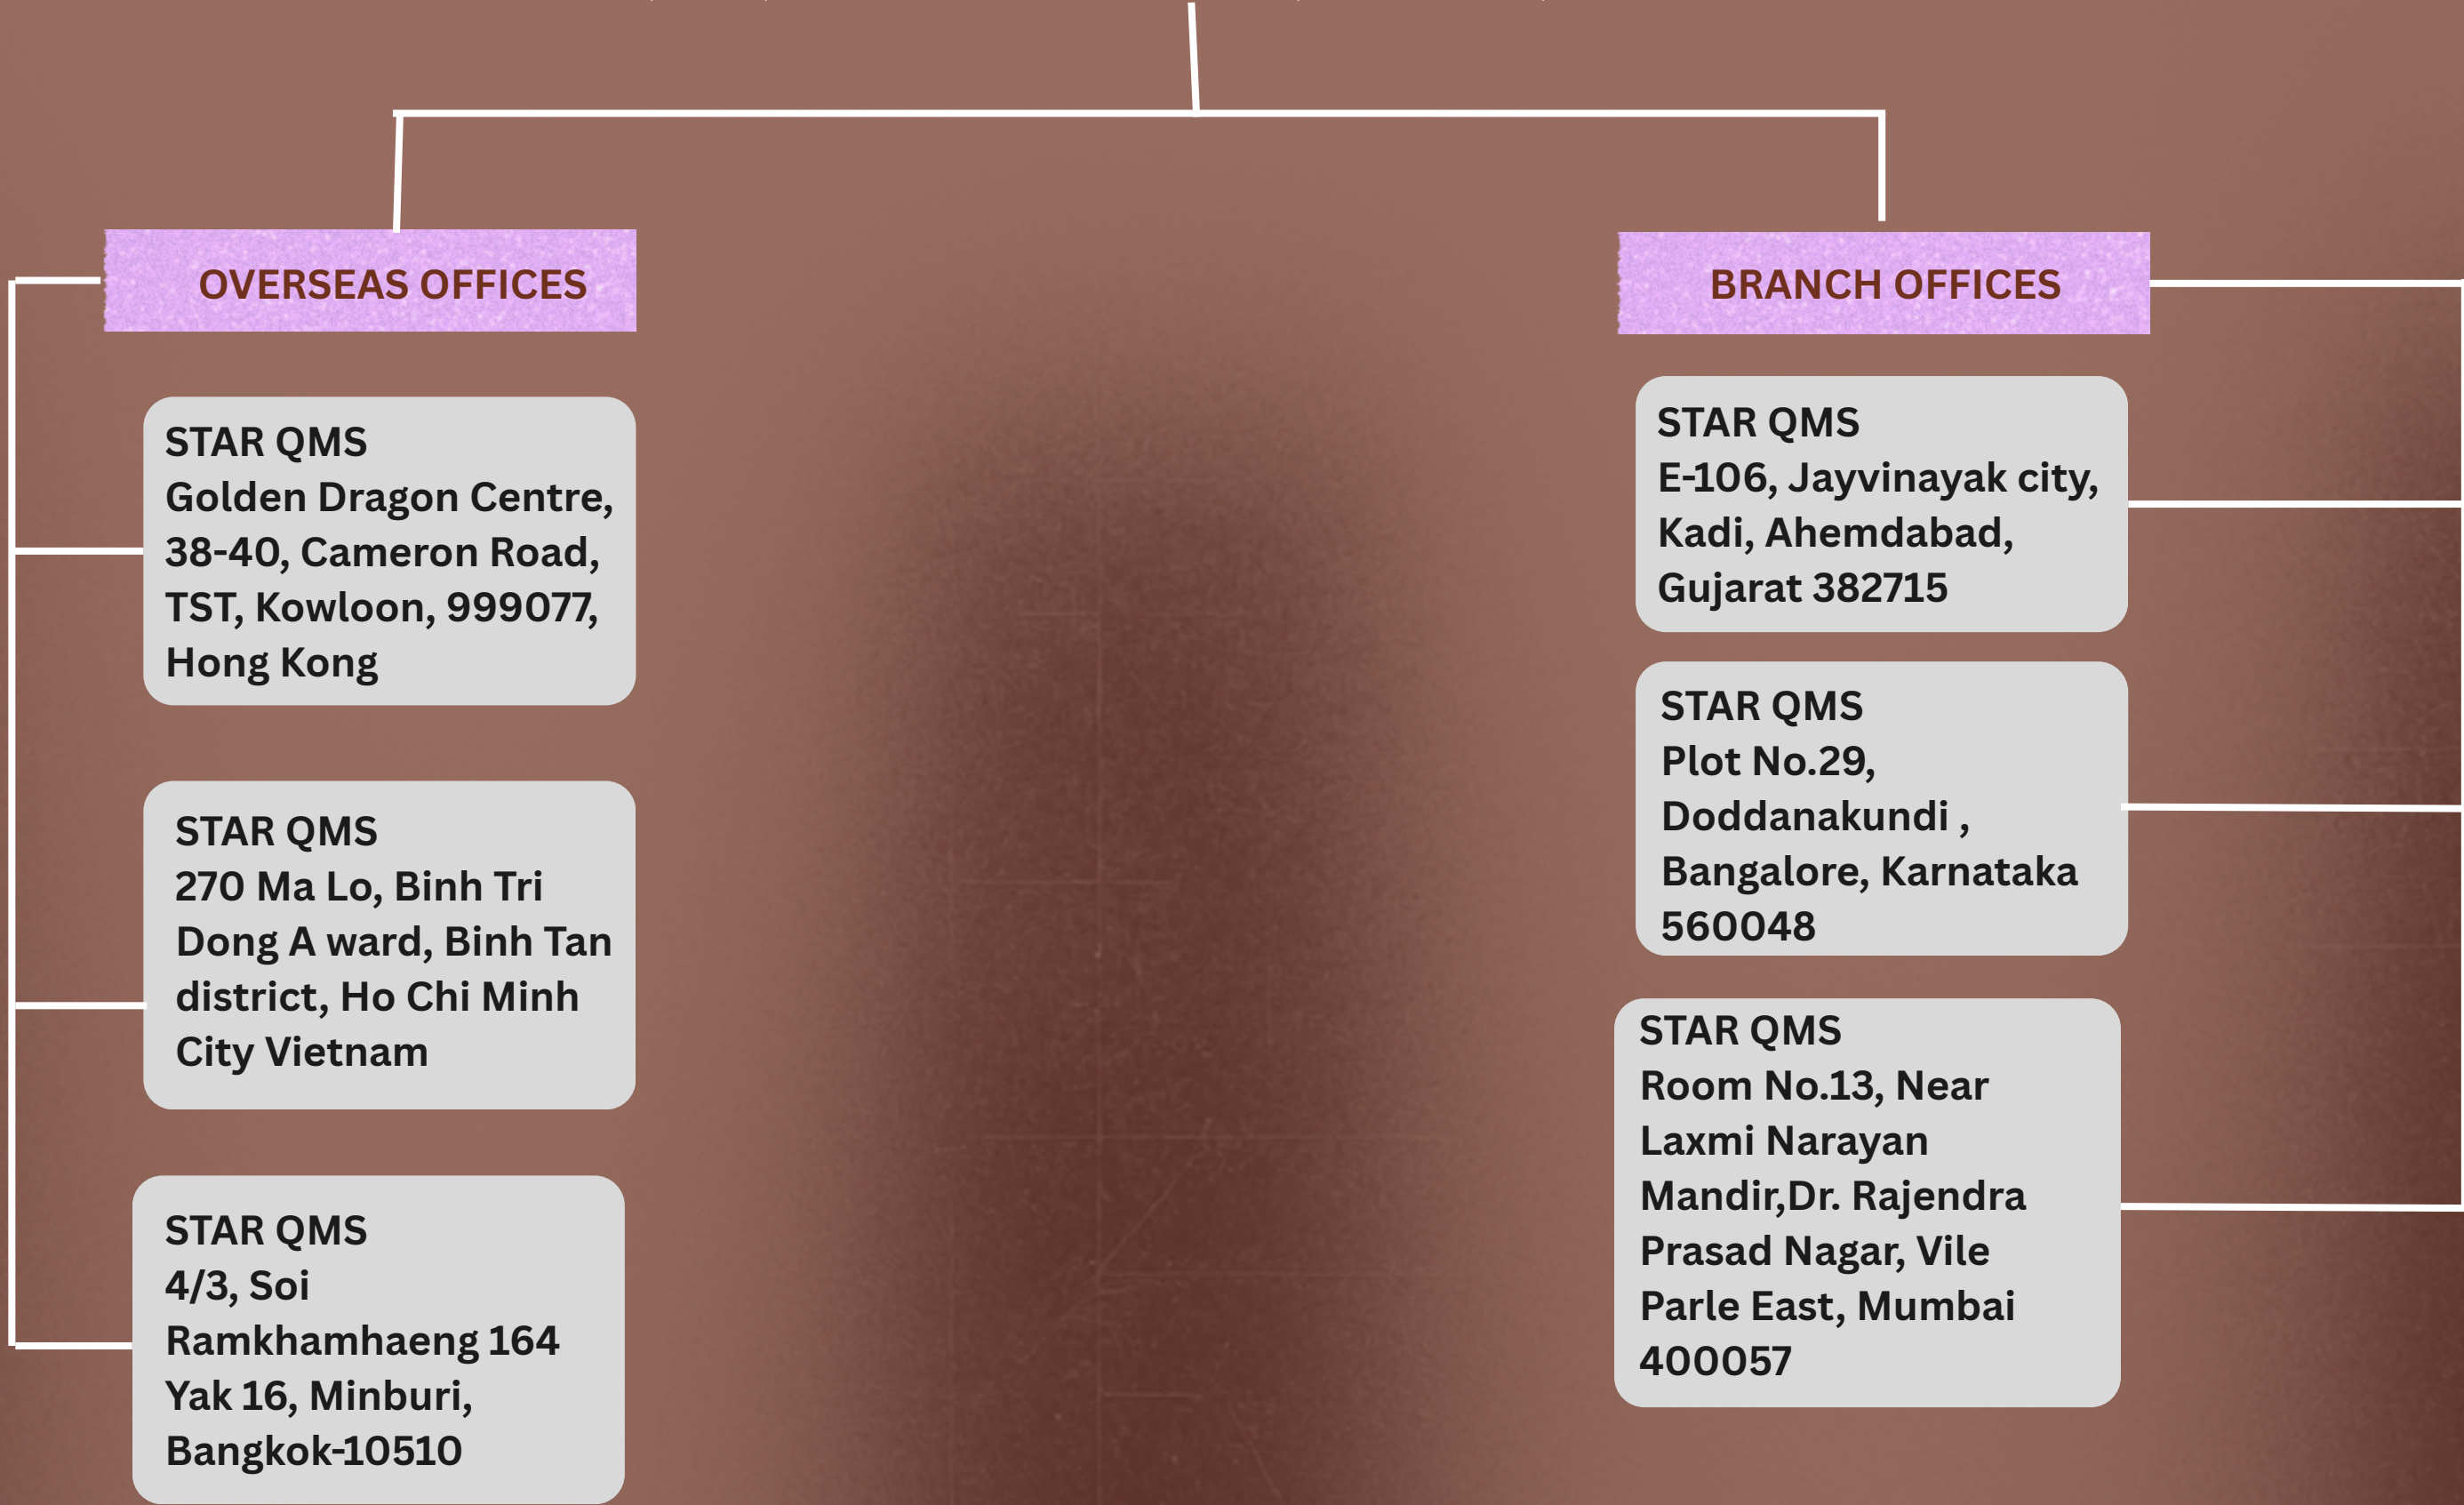

Committed to staying ahead of global trends, we prioritize 'Customer First,' aiming to build, protect, and enhance organizational reputation and trust.
